ABOUT GD GOENKA SCHOOL

It started with a dream.... a glorious vision to create an ambience conducive to creative learning. An innovative direction towards providing Global education with its feet firmly grounded in the Indian soil. A humble endeavour to touch the grandest heights of excellence in Education. A school with a difference!

A school that became a trendsetter in radical and progressive education, the quality of facilities and its gamut of opportunities.

Established in 1994, G D Goenka Public School, Vasant Kunj was the brainchild of G D Goenka Group Chairman Shri Anjani Kumar Goenka. He aimed to immortalize the name of his mother Shrimati Gayatri Devi Goenka and hoped to provide the students with a sound education unheard of before. His innovative mission reached the pinnacle of success due to the detailed execution of plans by Smt. Renu Goenka. Her finesse and sensitivity worked in unison with Shri A. K. Goenka's visionary enterprise, to give the school its present standard.

Today, under the aegis of G D Goenka Group, the G D Goenka Public Schools are regarded as centres of educational excellence globally. The school philosophy is based on a set of strongly held beliefs which are put into action everyday by every member of the institution. It's a philosophy of treating each child in a sensitive manner and providing appropriate developmental programmes so as to encourage not just learning but also the love of learning. It is also based on providing an environment that is safe, clean, healthy and child-oriented. An environment where classrooms are arranged in a manner that it offers challenging play and learning choices at a range of developmental levels. Activity areas are designed where children are allowed to explore, experience, and most importantly, succeed.
